1. The amendment filed on 12/15/03 has been received and entered in the case.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 19, 20 and 35-41 are objected to because of the following informalities: in claim 19, line 7, a paragraph break is needed (note also claim 20, line 17). In claim 35, lines 3-4, "precharging" is misspelled (note also claims 36-41 have the same error). In claim 39, line 19, the word "first" should be inserted before "pre-determined" and on line 21 of claim 39, "a" (second occurrence) should be changed to --the--. Note the same changes are needed in claim 40 at lines 20 and 23, and also in claim 41, lines 18 and 20.
4. Claim 22 remains rejected under 35 U.S.C. 102(b) as being anticipated by Merritt.

It is noted that this claim does not include the recitation of main pump precharge capacitors, which applicant is now arguing as a defining limitation over Merritt. Thus, this claim still reads directly on Merritt. The recited "first and second main energy storing devices" read on Merritt's main capacitors

Art Unit: 2816

1480 and 1500, the recited "first and second pre-boosting stages" reads on Merritt's preboot capacitors 1380 and 1410, and the recited "first and second pre-charging stages" reads on Merritt's preboot precharge capacitors 1640 and 1660.

5. Claims 1-21 and 23-41 are allowed.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
